AWARDS and PRIZES:

MEDLEY AGGREGATE AWARD

1. The ISC Medley Challenge is proud to provide awards for the top performing all-around swimmer in each age/gender group. Prizes will be awarded in two categories:
 - a) Sprint Medley Aggregate: based on the sum of scores for each swimmer's best two of the 50m events plus the 200m IM.
 - b) Distance Medley Aggregate: based on the sum of scores for each swimmer's best two of the 100m events plus the 400m IM.
2. All swimmers entered in an adequate combination of events will automatically be considered for the Medley Aggregate awards.
3. Scoring for the Medley Aggregate awards is based on a swimmer's placing in their respective age/gender category:
 - a) For the 50/100 events points are awarded in descending fashion to the top 16 finishers, with the first place finisher earning 16 points, second place 15 points, and so on down to 1 point for the sixteenth place finisher.
 - b) For the 200/400 IM events points are awarded in descending fashion to the top 16 finishers at double the value of the stroke events, with the first place finisher earning 32 points, second place 30 points, and so on down to 2 points for the sixteenth place finisher.
4. An individual swimmer may only win one of the Medley Aggregate awards in their age group. In the event of one swimmer earning the most points in both Medley Aggregate categories, they will be awarded the prize for the category in which their IM swim scored the higher FINA points.
5. In the event of a tie for the highest score in any category, the award will be given to the swimmer whose relevant IM event scored the higher FINA points. If this also results in a tie, then the award will be given to the swimmer with the higher sum of FINA points in all of their events used for scoring in the Medley Aggregate award (i.e. best two 50/100m events plus the relevant IM event).

BELL HEATS

Bell heats will occur randomly throughout the meet. Prizes will be awarded to the winner of the heat that swims immediately after the bell is rung.

ISC Medley Challenge Eliminator

Island Swimming is pleased to offer a new and exciting event consisting of a series of 'Eliminator' 50's. The last swimmer standing will win a special prize, acclaim from the fans, and a lifelong sense of personal accomplishment.

1. All swimmers entered in either the 200 or 400 IM are automatically eligible for the Eliminator. Spots will be offered to the top 8 swimmers in each age/gender group, as ranked by the FINA points for their entry times. All entry times will be verified.
2. The selected swimmers will be notified of their chance to swim the event after the initial entry deadline. If a swimmer declines, the next swimmers according to FINA points will be offered the chance until the event is full.
3. The format will consist of four 50m (**4 x 50**) walk-backs on 90-120 seconds (estimated). The stroke for each heat will be randomly chosen prior to each 50m and will be clearly displayed and/or announced for the swimmers as they walk back to their assigned lanes. Each stroke will be swum once.
4. Eight swimmers will start the first heat. The last two swimmers to touch the wall after each 50m will be eliminated until there are two swimmers remaining. The final two swimmers will swim head-to-head to determine the winner of the Eliminator.
5. The event will be seeded as a Timed Final and lanes will remain the same throughout the event.
6. In the event of a tie for the second-last elimination placings in one of the first three rounds, both swimmers will move on to the next round and three swimmers will be eliminated at the end of that round. If a tie occurs between the two swimmers in the final round, they will immediately swim another 50m of the same stroke to determine the winner.
7. Please see the following schedule of events to see when each Eliminator will be offered.
